

## **Sky Scientific Privacy Policy December 18, 2020**

Protecting your private information is our priority. This Statement of Privacy applies to Sky Scientific and governs data collection and usage. For the purposes of this Privacy Policy, unless otherwise noted, all references to Sky Scientific include <https://www.skyscientific.com> and Sky Scientific Press. By using the Sky Scientific website, you consent to the data practices described in this statement.

### **Collection of your Personal Information**

In order to better provide you with products and services offered on our Site, Sky Scientific may collect personally identifiable information such as your:

First and Last Name

Mailing Address

E-mail Address

Phone Number

If you purchase Sky Scientific products or services we may collect billing and credit card information used to complete the purchase transaction. We do not collect any personal information about you unless you voluntarily provide it to us, as when you telephone or send an email to us.

### **Use of your Personal Information**

Sky Scientific collects and uses your personal information to operate its website and deliver the services you have requested. Sky Scientific may also use your personally identifiable information to inform you of other products or services available from Sky Scientific.

### **Sharing Information with Third Parties**

Sky Scientific does not sell, rent or lease its customer lists to third parties. Sky Scientific may disclose your personal information without notice if required to do so by law or in the good faith belief that such action is necessary to (a) conform to the edicts of the law or comply with legal processes, (b) protect the rights or property of Sky Scientific and/or (c) act under exigent circumstances to protect the personal safety of users of Sky Scientific or the public.

### **Links**

This website contains links to other sites. Please be aware that we are not responsible for the content or privacy practices of such other sites. We encourage our users to be aware when they leave our site and to read the privacy statements of any other site that collects personally identifiable information.

### **Right to Deletion**

Subject to certain exceptions set out below on receipt of a verifiable request from you, we will delete your personal information from our records and direct any service providers to delete your personal information from their records. Please note that we may not be able to comply with requests to delete your personal information if it is necessary to complete the transaction for which the personal information was collected or to detect or report security incidents or protect against malicious, deceptive, fraudulent, or illegal activity or prosecute those responsible for that activity or otherwise use your personal information, internally, in a lawful manner that is compatible with the context in which you provided the information.

### **Children Under Thirteen**

Sky Scientific does not knowingly collect personally identifiable information from children under the age of thirteen. If you are under the age of thirteen, you must ask your parent or guardian for permission to use this website.

### **E-mail Communications**

From time to time, Sky Scientific may contact you via email for the purpose of providing announcements, promotional offers, alerts, confirmations, surveys and other general communications. If you would like to stop receiving marketing or promotional communications via email from Sky Scientific you may opt out of such communications by replying to the email with the word "Unsubscribe" in the subject line or "Unsubscribe" as the first word in the email body.

### **Changes to this Statement**

Sky Scientific reserves the right to change this Privacy Policy from time to time. We will notify you about significant changes in the way we treat personal information by placing a prominent notice on our site. Your continued use of the site and/or our services will constitute your acknowledgment of the modified Privacy Policy and your agreement to abide and be bound by that Policy.

### **Contact Information**

Sky Scientific welcomes your questions or comments regarding this Statement of Privacy. You may contact Sky Scientific by U.S. mail, email or telephone:
